### STATEMENT

I acknowledge and agree to the terms of the **Street Improvement Permitting Process For Construction in the Public Rights-of-Way**, incorporated by this reference, and agree to the following:

1. The applicant shall provide an initial deposit for review and additional deposits for the construction phase activities. The amounts of the required deposits are estimates only, and any balance after all charges have been made against the deposits will be remitted to the depositor. Should charges exceed the deposit, the permittee will be responsible for payment to the City.
2. If the applicant is not the owner, he / she will be responsible for informing the owner of the requirements of the permit.
