Dear Rebecca and David,

I wanted to drop a line to thank you both for leading the effort to make Ballard Corners Park on 17th and 63rd Street become a reality,

It makes a nice addition to the neighborhood and something that will be enjoyed by many for years to come.

I'm glad that three generations of the Hansen/Rotter family could attend the Grand Opening ceremonies. We enjoyed it and taking a walk around the old neighborhood. It was fun to share stories with the younger generation.

Looking at the cement davenport and chair brought smiles to our faces since it was the same style we grew up with in our home on 17th and 63rd Street.

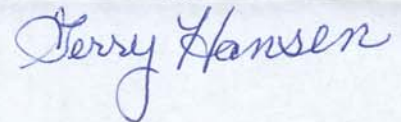

The family all enjoyed our picture on your internet site and I feel honored that my quote is a part of the historical panels.

Some of our family plans to gather at the park again to view the tiles in place.

Thanks again and you should be proud of your accomplishments.

Sincerely,

Geraldine (Gerry) Hansen

You know, some of us old folks are still
living in the dark ages!!
